ACTIVATED CHARCOAL

bamboo activated charcoal

Our 100% natural Kenyan bamboo activated charcoal is multifunctional and can be used for whitening teeth, rejuvenating sensitive skin, removing blackheads, and relieving bloating.

Directions:

To cleanse your teeth mix a little powder with water and brush as usual for 2-3 days a week. For daily use, mix with your regular toothpaste. To remove blackheads, mix half a teaspoon with honey or egg-whites for 15 to 20 minutes thrice a week.
