

Our 100% natural Kenyan bamboo activated charcoal  
is multifunctional and can be used for whitening teeth, rejuvenating sensitive skin, removing  
blackheads, and relieving bloating

**Directions:**  
To cleanse your teeth mix a little powder with water and brush as usual for 2-3 days a week.  
For daily use, mix with your regular toothpaste. To remove blackheads, mix half a teaspoon  
with honey or egg-whites for 15 to 20 minutes thrice a week.
